1. Sewer Laterals (includes all permitting and work related to completing all work needed prior to being operational and all work needed to restore homeowner's property).
2. Onsite System Cost (includes all permitting work related to completing all work needed prior to being operational and all work needed to restore the homeowner's property).
3. Septic and ATT costs per Rick McBee Excavating for recent projects within Maywood Park (septic stayed the same, ATT increased).
4. Sewer laterals updated per higher of Engineering News Record (ENR) $4.6 \%$ and onsite cost average 7\%.
5. Septic pumping costs increased from $\$ 500$ to $\$ 1000$.
6. ATT maintenance increased to $\$ 450 / \mathrm{yr}+\$ 185 / \mathrm{yr}$ to Multnomah County.
7. Gravity sewer and sewer lateral construction cost increased by ENR.
8. City of Portland fees and rates updated to 2023.
